Hi [REDACTED]
Glad you found it, that's good news. [REDACTED] I will be able to let you have an idea of who will be attending a couple of days beforehand – pls do call me at that time. Did try to call yesterday and left a message. We will provide the Deputy PM with our special E car pass (which allows entry to be dropped off at competitors). Please let me know how many – I would think 2? Also the person here to contact re security is [REDACTED] and I have already briefed him to expect your call. He can be reached on [REDACTED]

Thanks so much for this. I've done some digging and we've tracked down the invitation you sent – bizarrely only received here on Friday but it had got caught up with some other correspondence.

So with apologies for the delay in confirming, Nick and his wife Miriam Gonzalez Durantez would be delighted to attend for lunch in the Clubhouse, followed by the Ladies' Final on Saturday 2 July, and they very much look forward to it.

In due course, would it be possible to let us know who else will be in the Royal Box that day?

Best wishes,

Hi [REDACTED]
We have already sent an invitation for the Ladies' Finals Day (2 July) to Mr Clegg – about a month ago. Have you not received it?
I thought I was originally told he could do either weekend? There is no play on the middle Sunday ie 26 June, and Saturday 25 June is our sports day.
Let me know.

Dear [REDACTED]

We spoke many weeks ago and I promised to get back to you with Mr Clegg and his wife Miriam's preferred date for the Royal Box, following the Chairman's kind invitation from January. I now have a much better idea of their movements in the coming weeks, and they wondered if Saturday 25 or Sunday 26 June might be possible?

With very best wishes,
